DETAILED ACTION

Allowable Subject Matter

1. Claims 2-5, 7-13, 16-27, 35, 36 & 39 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Applicant's arguments concerning the combination of Karmarkar and Brenner are convincing. While Applicant discloses using the system in conjunction with racing, the Specification routinely defines the primary player as one who places a wager on the outcome of an event. While participants in a horse race may be said to be wagering their entry fee that they will win, this is not what is meant by Applicant's disclosure. While offering odds based on past performance as a participant in an activity is extremely well known to the art, there is no prior art that suggests offering odds based on past performance as a wagerer on an activity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Corbett B. Coburn whose telephone number is (571) 272-4447. The examiner can normally be reached on 8-5:30, Monday-Friday, alternate Fridays off.
